Introduction

Raffles Hotel Le Royal is the premier hotel in Phnom Penh, a Hotel with those rare attributes of history and style. It was first established in 1927 and in its early heyday, enjoyed an international clientele comprising globetrotters adventurers, writers and journalists, royalty and dignitaries. Reopened in 1997, after a careful restoration and refurbishment programme by Raffles International, the grand historic hotel fulfils all the requirements of a modern world-class hotel in facilities and amenities, but imparts an old world charm through a style and décor which is elegant yet comfortable, classic yet casual.

Located in the heart of Phnom Penh. Raffles Hotel Le Royal is only 20 minutes drive from Phnom Penh International Airport and within easy access of the city's attractions like the Royal Palace, Central Market, Russian Market and the National Museum of Cambodia.

Accommodation

There are 170 guestrooms, apartments and suites, each tastefully appointed, with art deco style furnishings and Cambodian object d' art. The rooms are spread over three separate but interconnecting low-rise wings set around the garden courtyard and swimming pools. The Main building is beautifully restored and refurbished to its original architectural style.

Seven room types await residents of Raffles Hotel Le Royal. Four specially created **Personality Suites** take their direction from people who have a close link with the Hotel. Prized memorabilia and original artifacts, the results of extensive research, are just some of well-loved items placed in the suites. They are named after Jacqueline Kennedy, Somerset Maugham, Charles de Gaulle and Andre Malraux.

The **Landmark Suites**, located in the Main Building, are the deluxe suites of the hotel. Each suite comprises a spacious living room and bedroom with sleigh bed and is decorated with original antiques and artwork. It also comes with an original claw-footed bathtub and private balcony. Four suite names have been chosen in honour of Cambodia's ancient history viz **Chenla Suite, Angkor Suite, Khmer Suite** and **Kambuja Suite**.

The **Raffles Suite** is named in honour of Sir Stamford Raffles. **Le Royal Suite** is the top suite of the hotel, and is located on the fourth storey overlooking the lush front gardens. It is luxuriously appointed with Cambodian and French furnishing and has 2 bedrooms, a dining room, a large living room and a fully-equipped pantry.

The **Studio Rooms** are for a more residential feel for longer-staying guest. Fitted with in-room stereo systems, the room comes with specially designed work stations and full pantry facilities.

Landmark Rooms, located in the Main Building, are furnished with a luxurious blend of Cambodian and art deco themes. The rooms are decorated with memorabilia artifacts reminiscent of the Golden Age of Travel.

The **State Rooms**, located in the new low-rise wings of the hotel-the North Courtyard Wing, Garden Wing and South Courtyard Wing, offer guests a choice of views, overlooking either the hotel's two pools or the lush landscaping around the wing blocks.

In Residence at Raffles Apartment Suites offer an elegant solution for long term guests. Available in one and two bedrooms and executive configurations with separate living room and kitchenette. The apartment suites offer all the luxury of the hotel combined with a space to call one's own.
