# HALONG BAY & RED RIVER

VIET TRI TO HALONG BAY - 10 NIGHTS

DOWNSTREAM

On a Pandaw ship travellers are able to explore the key sites of Northern Vietnam by river ship traversing the Red River delta and its main tributaries, connecting the wonders of Halong Bay with the excitements of downtown Hanoi, and then on into the interior, well off the beaten track. This is a combination of scenic beauty, lively and interesting (sometimes industrial) life of the river and exploring rivers where no other tourist craft operate.

Sailing deep into Highland Vietnam we will discover the mountain villages and a number of tribal areas. We will go as far as is navigable up the Song Red River and then down the little known Da or Black River. Note that this is a real river expedition and itineraries and schedules very much subject to change due to uncertain local conditions.

We return to the ship for your welcome dinner and introduction to your crew.

## DAY 2 THE LO RIVER

We start with a visit to Hung Lo temple where we will be serenaded with traditional folk music as well as enjoy an exploration this quaint traditional town. In the afternoon we visit the smith village of Ly Nhan to witness first-hand the traditional production methods still being used to this day.

## DAY 3 UPPER RED RIVER

We visit the UNESCO praised village of Duong Lam an ancient village that is a well preserved example of a traditional Vietnamese village from centuries ago with intricate architecture and fascinating culture. After lunch we continue downstream on the Red River and visit a timeless Arcadian Vietnam with emerald green rice paddies punctuated by lime stone rock formations. We make a stop at a small village dedicated to the handmade production of Vietnam's most famous headwear, the Non La conical hat before continuing to Thay Pagoda. Hardly known, yet with exquisite temples dating from the 11th century, we visit this beautiful temple beside a lake and explore the village that surrounds the pagoda.

## DAY 4 HANOI

Dropping anchor in the bustling city of Hanoi, passengers will visit some highlights of this Asian metropolis including must-sees like the notorious Vietnam war prison known as the Hanoi Hilton and the Temple of Literature, Vietnam's first University that is dedicated to the Chinese Philosopher Confucius. We also stop outside The Ho Chi Minh Mausoleum along the way to discuss the work required to preserve the body of 'Uncle Ho.' In the afternoon we take a walking tour of Hanoi old quarter, a bustling maze of food and shopping that is an assault on the senses. We visit a coffee shop to learn about Vietnam's famous coffee making industry and try an authentic coffee.

## DAY 5 BAT TRANG CERAMIC VILLAGE

This morning we visit Bat Trang ceramic village, a hub of ceramic production for generations. The ceramics made here are famous throughout Vietnam and adorn many homes both north and south.

# ITINERARY DOWNSTREAM

---

Before returning to the ship, a local dance troupe will treat us to a lion dance on the pier. This colourful and energetic dance is customary during festivals throughout Vietnam, most notably during Tet. We sail through the maze of waterways this afternoon and are entertained onboard by your Pandaw Chef with a cooking class and fruit carving.

## DAY 6 DAY RIVER

After breakfast we head ashore to Co Chat village, Nam Dinh. Here we visit local craftspeople making silk by hand and the local markets filled with exotic produce. After lunch onboard we moor at Khanh Thien Village, a quaint town known for its skilled craftspeople. We explore this cultural hub by local transportation or bicycle and discover a host of handicrafts including water hyacinth weaving and a variety of rice paper and cakes. We end the evening with a performance by the locals of 'Chau Van' singing, an ancient art form local to this area.

## DAY 7 NINH BINH

Discover 'Halong on Land' today as we visit Ninh Binh and take small bamboo rowing boats through the magnificent limestone caves. Visitors in September and October or April and May will witness the valleys shine golden as the rice fields prepare for harvest. After lunch we continue our exploration of the Red River Delta with a journey to Phat Diem, home to Phat Diem Cathedral, a 19th-century Roman Catholic church built in an eclectic blend of Vietnamese and European architectural styles. We continue upstream on our journey to Halong.

## DAY 8 LUOC - THAI BINH - KINH THAY RIVERS

Observe the lively and interesting life on the river as we spend a morning sailing the delta. Enjoy an exploration of your vessel with a ship tour before lunch.

In the afternoon we visit Thanh Ha Commune, considered the origin of water puppetry in Vietnam. After a stroll or bicycle through the quaint village, we enjoy a private water puppet show set under shade by a beautiful pond of lotus and lilies, as it has been enjoyed for centuries.

We drop anchor near Hai Phong Port, the gateway to Halong Bay.

## DAY 9 HALONG BAY

Cast off early morning along the river before entering Halong Bay's amazing island scenery with its 2,000 dramatic limestone islands and extraordinary rock formations dating back 20 million years.

Exploring Halong Bay, we stop at the so called "Dark and Bright Cave" where we take a kayak or a local basket boat rowed by fishermen and

enter this remarkable cave into an enclosed area similar to a crater. Bats can be heard in the cave and massive stalagmites hang from the ceiling.

We continue our cruise through Halong Bay until we drop anchor in a quieter part of the bay.

## DAY 10 **HALONG BAY**

Continuing our sailing we make a stop at Viet Hai Village. We continue our journey by mountain bike or electric buggy to visit the village's vegetable farm and typical village houses. It is a breath-taking trip along a small road winding its way through the limestone rocks.

As the space is much loved by all our passengers, we have ensured that with each ship we build, the stateroom remains essentially the same. ## RV Angkor Pandaw

Sister to the Katha and from the same yard delivered in 2013, the only difference with the Katha is an enclosed air conditioned dining room insisted on by an American charterer. Originally on the Mekong in 2015 we transferred her to the Red River in North Vietnam. In fact the enclosed dining room has proved useful as it can be cold up there in winter.

The ship has quality mountain bikes for your independent exploration.

## River Conditions Warning!

The rivers you will sail on are subject to seasonal rises and falls of water level, in some places as much as 30 metres. Water levels can change dramatically overnight and a sudden rise can impede our progress upstream considerably and even prevent us from passing under certain bridges. A sudden fall can result in our being unable to get into certain places or go as far upstream as we would hope. Groundings on sandbars are not infrequent and are part of the excitement of any Pandaw expedition. Published itineraries are indicational only and subject to sudden change. In such events alternative itineraries will be provided and we do our best to ensure that if a stop is missed we make up for it with another stop. Passengers are thus forewarned and expected to be flexible and patient. River cruising in Asia can be a dramatic and adventurous experience - not like cruising the controlled waterways of Europe or America. Note also that we operate in areas with little or no developed infrastructure and subject to the strictures of local officialdom. Be prepared for this and it is all more the fun!
