

Expeditions Overview 2017-18

SMALL SHIPS, REMOTE RIVERS

For over 20 years Pandaw has specialised in exploring the remote and off-the-beaten-track rivers of Asia, places that few, if any, can navigate with our specially-designed ships. We offer travellers a truly exclusive, unique experience.

All our travellers sail in old world style and comfort on board one of our evocative hand-crafted, colonial-style ships. Finished in brass and teak by skilled local craftsmen and all maintained within Pandaw's first class standards.

At Pandaw we have an all-inclusive policy, so travellers can relax in the knowledge that there are no hidden extras, all that is excluded is wine and imported beverages.
