# HALONG BAY AND RED RIVER

HALONG BAY TO HOA BINH - 10 NIGHTS  
JULY TO OCTOBER

UPSTREAM

On a Pandaw ship travellers are able to explore the key sites of Northern Vietnam by river ship traversing the Red River delta and its main tributaries, connecting the wonders of Halong Bay with the excitements of downtown Hanoi, and then on into the interior, well off the beaten track. This is a combination of scenic beauty, lively and interesting (sometimes industrial) life of the river and exploring rivers where no other tourist craft operate.

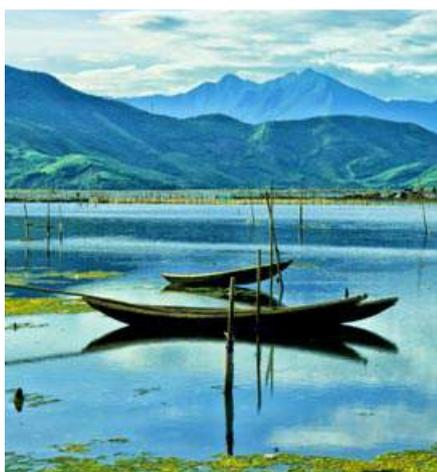

Sailing deep into Highland Vietnam we will discover the mountain villages and a number of tribal areas. We will go as far as is navigable up the Song Red River and then down the little known Da or Black River. Note that this is a real river expedition and itineraries and schedules very much subject to change due to uncertain local conditions.

Finished in brass and teak, the main and upper deck rooms are a spacious 168 square feet (15.6 sqm), with the exception of the Zawgyi Pandaw which is 150 square feet (14 sqm). As the space is much loved by all our passengers, we have ensured that with each ship we build, the stateroom remains essentially the same. Be advised: our cabins do not have mini-bars, satellite TV's, internet access or telephones. # PANDAW SHIPS

## RV Angkor Pandaw

Sister to the Katha and from the same yard delivered in 2013, the only difference with the Katha is an enclosed air conditioned dining room insisted on by an American charterer. Originally on the Mekong in 2015 we transferred her to the Red River in North Vietnam. In fact the enclosed dining room has proved useful as it can be cold up there in winter.

The ship has quality mountain bikes for your independent exploration.

Welcome to our mountain resort, the Silk Path Grand Sapa, perched on a private spot atop one of Sapa's highest hills. Here time stands still, giving you ample opportunities to stroll through the flower gardens and absorb captivating views of the surrounding mountain range. #### DAY 1 TRANSFER TO SAPA

After lunch, transfer from ship to Sapa. Overnight & dinner at Silk Path Grand Sapa.

#### DAY 2 SAPA

## River Conditions Warning!

The rivers you will sail on are subject to seasonal rises and falls of water level, in some places as much as 30 metres. Water levels can change dramatically overnight and a sudden rise can impede our progress upstream considerably and even prevent us from passing under certain bridges. A sudden fall can result in our being unable to get into certain places or go as far upstream as we would hope. Groundings on sandbars are not infrequent and are part of the excitement of any Pandaw expedition. Published itineraries are indicational only and subject to sudden change. In such events alternative itineraries will be provided and we do our best to ensure that if a stop is missed we make up for it with another stop. Passengers are thus forewarned and expected to be flexible and patient. River cruising in Asia can be a dramatic and adventurous experience - not like cruising the controlled waterways of Europe or America. Note also that we operate in areas with little or no developed infrastructure and subject to the strictures of local officialdom. Be prepared for this and it is all more the fun!
