DAY 1

MANDALAY

Transfer from the airport to the ship for lunch followed by excursion to Mandalay which is not only the country's second largest city but also the religious centre of Burmese culture.

The excursion starts with a visit to Mahamuni Buddha Image, one of the most important pilgrimage sites in Myanmar. The statue was brought here in 1785 by King Bodawapaya after the invasion of the Arakan Kingdom in 1784. To pay respect to the Buddha image, male devotees apply gold leaf to the image. As a result, the Mahamuni Buddha Image has been covered with a thick layer of gold leaf (about 15 cm). The walk continues along the street renowned for its marble carvers.

Continue to Shwe Kyaung (Golden Palace Monastery) which was built in 1857 and was originally part of the royal palace before it was moved to the present site in 1879.

Explore UNESCO listed Kuthodaw Pagoda, with the world's biggest book. It accommodates 729 marble slabs engraved with the Buddha's Parli Scriptures housed in shrines.

After the gold leaf hammering workshop, stop by the moat surrounding the Royal Palace for a great photo opportunity with a backdrop of Mandalay Hill.

STATEROOM

The Pandaw stateroom is the most celebrated feature of our ships.

Finished in brass and teak, the main and upper deck rooms are very spacious at 168 square feet (15.6 sqm). Much loved by all our passengers we have ensured that with each ship we build the stateroom remains the same. Our cabins do not have mini-bars, satellite TV's, internet or phones. Pandaw passengers usually want to escape from the tiresome features found in international business hotels.

Many passengers describe life on board a Pandaw more like being a guest on a private motor yacht than a cruise ship. Where we go and what we see is intrepid in extreme. What you come back to is a floating base of discreet comfort, caring service and all the good things one looks for in life. All our cabins have the same size and Pandaw signature amenities. Choose from Main Deck, Upper Deck or Premium Upper Deck (Mekong only).

Special to Your Stateroom

- Fruit and flowers on arrival
- Kimonos and slippers
- Spa-branded amenities
- Unlimited mineral water

River Conditions Warning!

The rivers you will sail on are subject to seasonal rises and falls of water level, in some places as much as 30 metres. Water levels can change dramatically overnight and a sudden rise can impede our progress upstream considerably and even prevent us from passing under certain bridges. A sudden fall can result in our being unable to get into certain places or go as far upstream as we would hope. Groundings on sandbars are not infrequent and are part of the excitement of any Pandaw expedition. Published itineraries are indicational only and subject to sudden change. In such events alternative itineraries will be provided and we do our best to ensure that if a stop is missed we make up for it with another stop. Passengers are thus forewarned and expected to be flexible and patient. River cruising in Asia can be a dramatic and adventurous experience - not like cruising the controlled waterways of Europe or America. Note also that we operate in areas with little or no developed infrastructure and subject to the strictures of local officialdom. Be prepared for this and it is all more the fun!
