EXPEDITION No 3

## THE LOWER GANGES RIVER

7 NIGHTS

There can be no river in the world as sacred as the Ganges River and an expedition on the Lower Ganges or Hooghly is one of the prettiest river journeys imaginable. The river wends its way through the lush countryside of West Bengal with its culturally significant towns crammed with temples and palaces. A rich and vibrant rural life abounds and there is never a dull moment as we sedately ply this pleasant waterway.

You will start or end our newly updated 7 night itinerary in either the former colonial capital of Kolkata or Farakka, location of the famous Farakka Barrage where the sacred Ganges flows into the Hoogly River. With one-way first class train ticket included between Farakka and Kolkata this is the perfect way to explore West Bengal in true Pandaw comfort and style.

From September 2024, Pandaw is happy to announce that our India expeditions will be all-inclusive, with complimentary local beers, spirits, mixers and soft drinks for all guests. Also included free of charge is select house wines during lunch and dinner only. Subject to availability.

River cruising on the Lower and Upper Ganges can be severely affected by fog during the months of December and January. This may impact the sailing schedules and the planned excursions. While every effort will be made to make up time and include all activities this is not always possible. Similarly temperatures can drop significantly overnight and in the early mornings, though during the day warmer temperatures can be expected. Winter temperatures can be below average with many destinations in Bihar and Uttar Pradesh experiencing long spells of cold.

## **STATEROOM**

**The Pandaw stateroom is the most celebrated feature of our ships.**

Finished in brass and teak, the main and upper deck rooms are very spacious at 168 square feet (15.6 sqm). Much loved by all our passengers we have ensured that with each ship we build the stateroom remains the same. Our cabins do not have mini-bars, satellite TV's, internet or phones. Pandaw passengers usually want to escape from the tiresome features found in international business hotels.

Many passengers describe life on board a Pandaw more like being a guest on a private motor yacht than a cruise ship. Where we go and what we see is intrepid in extreme. What you come back to is a floating base of discreet comfort, caring service and all the good things one looks for in life. All our cabins have the same size and Pandaw signature amenities. Choose from Main Deck, Upper Deck or Premium Upper Deck (Mekong only).

### **Special to Your Stateroom**

- Fruit and flowers on arrival
- Kimonos and slippers
- Spa-branded amenities
- Unlimited mineral water

Some of the handicrafts items cover the history and cultural heritage of more than 1500 years. The National Museum has in its possession over 3,000 works of Bhutanese art, rich holdings of various creative traditions and disciplines that represent a remarkable blend of the past with the present. One of the finest examples of Bhutanese architecture, it is also known as the Ringpung Dzong, which means 'fortress on a heap of jewels'. It is the administrative seat of the district of Paro. The dzong was built in the 16th century and was used on numerous occasions to defend the Paro Valley from invasions by Tibet. Unlike most of the other dzongs in Bhutan, it survived the massive 1897 earthquake mostly unscathed, though it was almost burnt to the ground by a fire in 1907. All-important relics were lost to the fire and nothing could be salvaged except for the Thongdrol, a 20x20 meter-wide Thangka. The Thangka is displayed annually during a ceremony called Paro Tshechu. The Dzong was however rebuilt the following year.

## **River Conditions Warning!**

The rivers you will sail on are subject to seasonal rises and falls of water level, in some places as much as 30 metres. Water levels can change dramatically overnight and a sudden rise can impede our progress upstream considerably and even prevent us from passing under certain bridges. A sudden fall can result in our being unable to get into certain places or go as far upstream as we would hope. Groundings on sandbars are not infrequent and are part of the excitement of any Pandaw expedition. Published itineraries are indicational only and subject to sudden change. In such events alternative itineraries will be provided and we do our best to ensure that if a stop is missed we make up for it with another stop. Passengers are thus forewarned and expected to be flexible and patient. River cruising in Asia can be a dramatic and adventurous experience - not like cruising the controlled waterways of Europe or America. Note also that we operate in areas with little or no developed infrastructure and subject to the strictures of local officialdom. Be prepared for this and it is all more the fun!
