**EXPEDITION No 10**

# **SAIGON AND PHNOM PENH SHORT CRUISE**

**3 OR 4 NIGHTS**

There can be no tapestry of river life as fascinating and varied as the Mekong River. Indeed there can be no more striking a cultural contrast as that between the bustling Vietnam Delta and the tranquility of Cambodia. This three night cruise passes from the vibrant French colonial port of Saigon, through the vast delta so rich in human life and endeavor, to travel along the main channel into the rich countryside of Cambodia. Your journey will end in Cambodia's capital Phnom Penh.

New for 2024, this cruise expedition will be sailing from central Saigon, embarking or disembarking in Vietnam's bustling metropolis.

# STATEROOM

**The Pandaw stateroom is the most celebrated feature of our ships.**

Finished in brass and teak, the main and upper deck rooms are very spacious at 168 square feet (15.6 sqm). Much loved by all our passengers we have ensured that with each ship we build the stateroom remains the same. Our cabins do not have mini-bars, satellite TV's, internet or phones. Pandaw passengers usually want to escape from the tiresome features found in international business hotels.

Many passengers describe life on board a Pandaw more like being a guest on a private motor yacht than a cruise ship. Where we go and what we see is intrepid in extreme. What you come back to is a floating base of discreet comfort, caring service and all the good things one looks for in life. All our cabins have the same size and Pandaw signature amenities. Choose from Main Deck, Upper Deck or Premium Upper Deck (Mekong only).

## **Special to Your Stateroom**

- Fruit and flowers on arrival
- Kimonos and slippers
- Spa-branded amenities
- Unlimited mineral water

# River Conditions Warning!

The rivers you will sail on are subject to seasonal rises and falls of water level, in some places as much as 30 metres. Water levels can change dramatically overnight and a sudden rise can impede our progress upstream considerably and even prevent us from passing under certain bridges. A sudden fall can result in our being unable to get into certain places or go as far upstream as we would hope. Groundings on sandbars are not infrequent and are part of the excitement of any Pandaw expedition. Published itineraries are indicational only and subject to sudden change. In such events alternative itineraries will be provided and we do our best to ensure that if a stop is missed we make up for it with another stop. Passengers are thus forewarned and expected to be flexible and patient. River cruising in Asia can be a dramatic and adventurous experience - not like cruising the controlled waterways of Europe or America. Note also that we operate in areas with little or no developed infrastructure and subject to the strictures of local officialdom. Be prepared for this and it is all more the fun!
